Dear Ivar,

**EXTENSION OF THE PEFC ENDORSEMENT VALIDITY OF THE NORWEGIAN LIVING FOREST STANDARD AND CERTIFICATION SCHEME**

At its meeting held on 31<sup>st</sup> January 2008, the Board of Directors considered your application for the extension of the PEFC endorsement validity of the Norwegian Living Forest Standard and Certification Scheme.

I am pleased to inform you that the Board of Directors has recognised the reasons behind your application and decided to extend the validity of the endorsement of the Norwegian Living Forest Standard and Certification Scheme until the end of August 2009 to allow the Board to make its recommendation on the scheme re-endorsement at the June 2009 meeting.

I would also like to remind you that the re-endorsement process takes in average 8 months and in order to meet the re-endorsement deadline, your application for the re-endorsement should be submitted no later than by the end of December 2008.

Best regards,

  
Ben Gunneberg
